# BOTSWANA - AFRICA'S LAST WILDLIFE PARADISE

52' (ENG, GER)

**Explore the highlights of the wild in the fascinating country of Botswana.**

The country holds a diverse range of animals, and is one of the last places in the Africa where they can still live freely. Filmed in HFR at 50 frames per second, the wildlife footage takes the viewer on an exhilarating safari to the Okavango Delta. We visit a lodge run exclusively by the San, the bushmen of southern Africa. And the Chobe National Park, which holds abundant amounts of elephants. We then make our way to the Makgadikgadi salt pan in northeast Botswana – the cradle of Homo Sapiens. Here we visit meerkats, zebras, and take in the views at the breathtaking Victoria falls.
