THE RED BARON - MANFRED VON RICHTHOFEN

52' (GER, FRE, ENG subs)

The documentary reveals the true story of the German flying ace Manfred von Richthofen.

With his good looks, aristocratic background and 80 combat victories in the Great War, Richthofen became the "Red Baron", a real media star and idol. But this legend is about to be exposed. A German Historian with access to the Richthofen family archives has found unpublished documents that show Manfred not as the knight of the sky, but a ruthless killer.
