MAFIA QUEENS

S1: 4 x 50', S2: 6 x 50' (ENG, GER, ITA)

Personal destinies brought these women to the top of the powerful mafia clans and they changed the camorra forever.

We have access to some of the most exclusive stories ever - stories from the heart of the Italian Mafia. The women of former mafia bosses cooperate with the authorities and report in front of the camera about their former lives at the core of the mafia clans. The series provides unprecedented insights into the fates of women, who have made them key figures in the mafia, and highlights the seemingly insignificant roles played by women in organized crime. These gripping stories are marked by love, loyalty, power, crime and death.
