FINAL STOP BATACLAN

85' (GER, ENG subs)

The assassin of the Bataclan was an ordinary bus driver: Samy Amimour. He drove the very common bus number 148 along the northern Banlieues of Paris.

Until the day he executed almost 90 people in the concert hall Bataclan on November 13, 2015. How did the bus driver of line 148 become a mass murderer? He lived at the Mairie de Drancy stop and prayed in the garage mosque at the Lénine stop. Then he blew himself up. Alexander Smoltczyk, a multiple award-winning journalist for "SPIEGEL", made an extraordinary documentary, both in form and content.
